

AGE-FRIENDLY CLASSIFICATION

LEVEL 1 CERTIFICATE

AAEC Certificate No.: **CE-AFC1-202604-00305**
Issue Date: **April 7, 2026**
Valid Until: **April 6, 2027**

Brand Name: **Fushide**
Product Name: **Large U-shape opening aluminum alloy bath chair**
Model/Specification: **745A**

Evaluation Basis:

ISO/IEC Guide 71:2014 | ISO/TR 22411:2021 | ANSI/HFES 100-2007 | AAEC/AFC-1:2026

This certificate states that the product meets the criteria of AFC Level 1 (Age-Friendly Classification) based on Technical Assessment Report (No. RP-AFC1-202604-00305) in the following dimensions:

Visual Communication | Physical Interaction | Cognitive Load | Safety & Error Tolerance

Important Notes:

1. This certificate states only the Age-Friendly features of product information and packaging, and does not represent mandatory U.S. market access certifications (e.g., FDA, CPSC).
2. No alteration, forgery or transfer of this certificate is permitted without AAEC's written approval. Re-evaluation is required for major product design or process changes.
3. The final interpretation right of this certificate belongs to the American Association for Elder Care (AAEC).

Certificate validity may be verified at the AAEC official website: www.aaeldercare.org
